NSHE ID:

Major:

In order to receive permission to enroll in a course after the second attempt, you must answer the questions below. Please take time to critically think about the questions and your answers. Your time and money are valuable. Be realistic and truthful with yourself as to how you will approach this final attempt if your request is approved. Your answers **must** be typed.

A College of Engineering Academic Advisor must review the answers to these questions before permission will be granted. Please note that you will not be granted permission to take this/these courses again. This will be your final attempt. If you do not pass the course(s) on the third attempt, you will be selecting a different major and need to meet with the University Advising Center (UAC) to assist you in this process.

1. What is/are the reason(s) that you did not do well in the class in the previous attempt(s)?
2. What things did you do well in the other courses that have resulted in passing grades?
3. What lessons can be applied from your response to question #2 to this attempt of the course(s) that needs to be repeated?
4. Provide a list of university student services that you will utilize to succeed in this course on your final attempt.

By signing this form, I acknowledge that I understand I will not be given additional attempts at this/these course(s).
